

PERSONAL DATA

Nominit acts according to current data protection law (GDPR). We register and store information about you in customer and supplier registers. We treat personal information about you: name, e-mail address and phone number.

As a customer at Nominit, your information is processed where it is necessary to manage the customer relationship and for the company to fulfill its commitments to you.

Marketing sent to you as a customer is based on either an express consent by you or a balance of interests conducted by the company.

Your personal data may be disclosed to authorities as provided by law, to suppliers and partners who deliver services to Nominit, such as IT services and accounting to the extent required. However, we will never sell your information.

Your personal information is saved as long as the customer relationship is active and then the time required or permitted by applicable laws and practices.

You may, at any time and without explanation, have your information deleted by contacting info@nominit.se.

For further questions regarding the handling of your personal information, please contact info@nominit.se.
